## "Gerard C. Cole Sr." Biography

Gerard C. Cole was born in the Bronx, New York and currently resides in Boston, Massachusetts. As a child, Gerard was being raised at home with his 10 siblings when suddenly, at the age of nine, he and all his siblings were taken from their home, separated into pairs, and sent to foster and group homes. On Gerard's 18th birthday, without any direction or guidance, Nassau County Social Services dropped Gerard from the foster system, leaving him out on the street to literally fend for himself. In a world where people throw blame around like a baseball, Gerard never blamed anyone, not even his parents, for any of the misfortunes in his life. Gerard has always relied on his faith and has made it his life mission to be the best person he can be while also sharing love and knowledge with young adults, so that they too, can become the best version of themselves that they can possibly be.

*Jailed by Lust - Released by Love* is Gerard's debut book. He is also known for his work as a talent consultant and manager of young and older adults. His client list included America's Got Talent phenomenon "Voices of Glory."!

## Book Description:

When a summer fling evolves into something more, three teenagers are faced with a choice: Do the right thing, or lose themselves in the heat of the moment.

When Damien meets Sheila, sparks fly as a hormone-fueled first encounter turns into a whirlwind summer romance.

And, true to their carefree nature, the teenagers get all hot and heavy when they finally get some time alone. All is well after that, until Sheila starts showing signs that she might be pregnant.

Her aunt and confidant, Vivian, is the first to find out. When two pregnancy tests turn positive, the pair shares the news with Damien and his family.

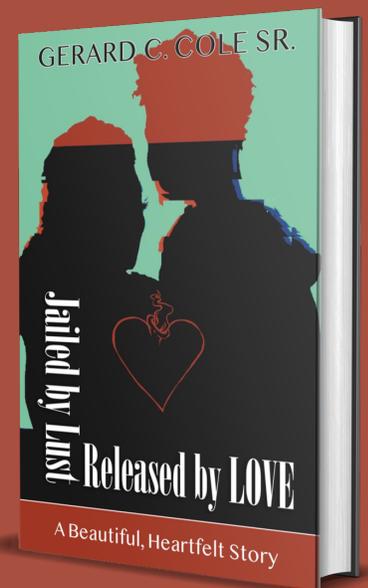

But, despite their hopes, things didn't go as planned.

Damien is promised a full scholarship to his university of choice and things start to turn sour between the young lovers.

Heartbroken and angry, Sheila is taken back to her childhood. Growing up without a dad hit her hard. And yet, despite all this, she thrived thanks to her strong, loving mother.

But, human as she is, Sheila winds up in the arms of a fervent admirer, Travis, who she vents her frustrations to.

Taking her words to heart, Travis comes up with a plan that will bring him and Sheila even closer... or so he thinks.
